## **Couples and Men**

This course comprises routines that are simple and easy to remember and appropriate for social occasions.

Couples will be guaranteed to dance together but if one of you has to miss the lesson, the person who can come in has the option to come and participate in the class with a team member.

## Wedding First Dance

Whether you want to step onto the dance floor and feel confident with a classic Waltz, or you have got something a bit more adventurous in mind, our expert teachers can help you choreograph and master the whole dance. After all, it is not every day you take to the dance floor with an audience so make the most of it!

### Courses

We make no exceptions for holidays of any kind or illness and you are expected to pay for the full term. If you choose to pay at week one and week eight it is on the strict understanding that you will pay for the balance when it is due – there are no exceptions and you will be asked to confirm this when you book.**
